

## ACOUSTIC CONSULTANTS

---

Irwin Carr is one of Ireland's largest acoustic consultancies with offices in Belfast and Warrenpoint.

We have a growing portfolio of projects and need to expand our team. Candidates must have an applicable degree and good understanding of acoustics.

### Consultant Level:

- 3 to 5 years experience in acoustic consultancy and MIOA membership
- Full driving license with access to a car for business purposes
- Ability to manage small to medium scale projects

### Senior Consultant Level:

- At least 5 years experience in acoustic consultancy and MIOA membership
- Excellent communication and report writing skills
- Demonstrable experience in working in an environmental consultancy
- Ability to manage medium to large scale projects
- Demonstrable commercial skills and experience in developing client contacts
- Provide leadership and technical support to existing team
- Full driving license with access to a car for business purposes

Successful candidate will be involved in a variety of work and there are many opportunities for individual development.

We offer a competitive salary package including private healthcare, pension scheme and other benefits.

If you are keen to join our growing team, please send a cover letter and your CV to
